RE: NationNet Communications Corporation (Docket No. 01-00447)

Dear Mr. Monroe:

The Tennessee Regulatory Authority requests the following information regarding the application of NationNet Communications Corporation (hereafter "NationNet" or "Applicant") for a Certificate of Public Convenience and Necessity to provide intrastate and interexchange telecommunications services, local exchange services through the use of its own facilities and the resold services of incumbent local exchange carriers and special access local exchange services in the areas served by BellSouth Telecommunications, Inc. ("BellSouth") as defined by TCA §65-4-101(e).

Corporate Structure Information:

Please provide the following corporate structure information:

1. Has the applicant had any corporate structural changes in the last three years such as name changes, mergers, and acquisitions?
2. Provide an organization chart that includes the parent and any corporate affiliates.

Financial Requirements:

Please provide the following financial information:

1. Does the current financial statements and projected financial statements contain any amounts that include reciprocal compensation relating to the termination of Internet service provider ("ISP") traffic?
2. Capital expenditures budget for the next three years, which may include the following:
 - a) Equipment to be deployed.
 - b) Cost of the equipment.
 - c) Sources for funding the Tennessee network, equipment, UNEs: Cash, loan commitments, vendor credits, letters of credit, etc.

Small and Minority-Owned Telecommunications Business Participation Plan:

TCA §65-5-212 provides that the applicant shall file a SMB Plan with the Authority along with an application for certificate of authority. Such a Plan shall contain an entity's plan for

purchasing goods and services from Small and Minority-Owned telecommunications businesses and information on programs, if any, to provide technical assistance to such businesses.

The applicant's plan did not contain the following information:

1. Programs for technical assistance.

TRA Rules for Local Telecommunications Providers:
